

Ampney Crucis C of E Primary School
Charging Policy

Payment for school trips and extra-curricular activities

Voluntary contributions for school trips and extra-curricular activities are requested from parents on the understanding that if not enough voluntary contributions are made the trip/activity may have to be cancelled, as the school does not always have sufficient funds to make up a shortfall.

Requests for financial help for the payment of school trips and extra-curricular activities

If a parent should request financial help for the payment of school trips (including residential trips) and extra-curricular activities, the application will be considered by the governors with regard to the applicant's financial circumstances and the availability of school funds for such purposes at the time of the request.
