

A HUGE thank you to the exceptionally talented Nellie for her incredible effort and dedication to The Friends and fundraising project management! We appreciate you and all that you have done for our school charity this year! Your humour and quick wit will be greatly missed at the school gates and we wish you and your family all the best.

Thank you so much to Co-Chair May Ritzen for taking on the role as sole Chair for the rest of the academic year. As May will be stepping down in December 2023 from the role we are currently looking for a new Chair for 2024. If you are interested please see May or Elena.
