Important information

Jewish people have many items in their homes which help them show that they follow the Jewish faith.

This may include a mezuzah box which contains the Shema, a very important prayer from the Torah which tells Jews about their relationship with God. The mezuzah box can be seen on doorposts in Jewish homes and Jewish people will touch it as a reminder of their faith.

Sometimes there will be a Star of David on a mezuzah box or somewhere else in a Jewish home to show people that the home is a Jewish home. You can also find a Star of David in a synagogue to show it is a Jewish place of worship.

Some Jewish people will also keep Shabbat when they will not work or travel and will have a special meal to remember the day God rested when he had created the world. Many Jewish people will also go to the synagogue to show what an incredibly important day it is.

Jewish people will also have celebrations and festivals throughout the year to remember specific events and important times. One of those is the festival of Chanukah which helps Jewish people remember when there was only enough oil to keep the temple menorah lit for one day but it stayed alight for eight days. Some of these stories are in the Torah such as the story of David and Goliath.
